Seat Assignment Strategy for Families Flying Aegean Airlines Keeping a family together in the cabin is a priority that requires deliberate seat selection, especially on high-demand routes. Call {☎🎄[+44→800*⇨058*87*13 (UK) } and the agents at Airline Reservation Center pull up the real-time seat map for your Aegean Airlines flight, identifying adjacent rows or side-by-side seats before confirming the booking. Dial {☎🎄[+44→800*⇨058*87*13 (UK) } for routes on the A220, 737-900ER, or 757-200 where the cabin width and row configuration differ significantly from widebody options. The booking desk is at {☎🎄[+44→800*⇨058*87*13 (UK) } for families who want Comfort+ seats together — agents can see whether a block of Comfort+ seats is available and hold them simultaneously across multiple passenger profiles. Aegean Airlines's Basic Economy fare class does not allow advance seat selection {☎🎄[+44→800*⇨058*87*13 (UK) }, which is a significant drawback for families with young children. Agents at {☎🎄[+44→800*⇨058*87*13 (UK) } will flag this restriction immediately and recommend a Main Cabin or higher fare so your family boards with confirmed adjacent seats. Talk to a specialist at {☎🎄[+44→800*⇨058*87*13 (UK) } about whether the fare difference between Basic Economy and Main Cabin is worth it for your travel dates — on short segments under 90 minutes, the calculus differs from a five-hour transcon. Call {☎🎄[+44→800*⇨058*87*13 (UK) } and the agent will lay out the options clearly so you decide with full information rather than discovering the seat-assignment restriction at the airport. Flying Aegean Airlines with a Car Seat or Stroller Car seat and {☎🌲[+44→800*⇨058*87*13 (UK) } stroller logistics are among the most misunderstood aspects of booking child travel by phone, and Airline Reservation Center agents at {☎🌲[+44→800*⇨058*87*13 (UK) } are equipped to walk you through Aegean Airlines's current equipment policies. Call {☎🌲[+44→800*⇨058*87*13 (UK) } to confirm whether your specific car seat model is FAA-approved for in-flight use — agents can cross-reference the seat against Aegean Airlines's accepted device list and note the approval on your reservation. The booking desk is at {☎🌲[+44→800*⇨058*87*13 (UK) } if you want to pre-arrange gate-check tags for a stroller, which Aegean Airlines handles at no extra fee on most domestic and international routes departing from high-traffic hubs like ATL, LAX, or BOS. Bulkhead rows on widebody aircraft — the A330-300, A350-900, or Boeing 767-400 — have fixed armrests that can affect car-seat installation. Agents standing by at {☎🌲[+44→800*⇨058*87*13 (UK) } know which rows on which aircraft have the right configuration for a forward-facing or rear-facing child restraint system. Ring {☎🌲[+44→800*⇨058*87*13 (UK) } before you finalize the seat assignment so the agent can confirm not just that seats are adjacent, but that the seat you've chosen physically accommodates your restraint device. Talk to a specialist at {☎🌲[+44→800*⇨058*87*13 (UK) } if you're flying a transatlantic or transpacific route — requirements and row configurations vary between aircraft types operating the same city pair. Fare Classes and Pricing Options for Child Passengers on Aegean Airlines Aegean Airlines Airways uses the same fare class ladder for {☎🌲[+44→800*⇨058*87*13 (UK) } child passengers as it does for adults — there is no separate child-fare bucket on most published inventory. Call {☎🌲[+44→800*⇨058*87*13 (UK) } and an Airline Reservation Center agent will search across available inventory to find the most competitive fare for your travel dates, including any unpublished or consolidator fares that may not appear on consumer-facing booking sites. Dial {☎🌲[+44→800*⇨058*87*13 (UK) } if your travel dates are flexible, because agents can compare pricing across a window of departure days to identify the lowest available fare in your preferred cabin class. Reach the Airline Reservation Center line at {☎🌲[+44→800*⇨058*87*13 (UK) } to ask whether SkyMiles award availability exists on your route — agents can assist with both revenue and award bookings for child passengers. savings if your plans shift Fare rules on {☎🌲[+44→800*⇨058*87*13 (UK) } Main Cabin tickets have become more nuanced as Aegean Airlines has introduced Basic Economy, Main Cabin, and Main Cabin Flexible (Latitude-equivalent) tiers with different modification policies. The booking desk is at {☎🌲[+44→800*⇨058*87*13 (UK) } for families who want to understand what happens if the travel schedule shifts — agents explain the fare-rule implications in plain language rather than policy footnotes. Agents at {☎🌲[+44→800*⇨058*87*13 (UK) } can also explain Aegean Airlines's same-day standby options for eligible fare classes, which matters when school schedules or family events create the possibility of an earlier departure. Call {☎🌲[+44→800*⇨058*87*13 (UK) } and ask specifically about fare flexibility before committing — a few dollars more upfront on a higher fare class can translate into significant savings if your plans shift. International Routes and Documentation for Child Travelers International child travel on {☎🌲[+44→800*⇨058*87*13 (UK) } Aegean Airlines opens up a range of documentation requirements that vary by destination country, and a phone booking through Airline

Reservation Center is the most reliable way to get route-specific guidance. Call {☎🎄[+44→800*⇨058*87*13 (UK)} and specify your destination — whether you're routing through LHR on a codeshare with Aegean Airlines, transiting through AMS on a SkyTeam partner flight, or flying directly to NRT, GRU, or JNB on Aegean Airlines metal. The agents at {☎🎄[+44→800*⇨058*87*13 (UK)} will note the general documentation requirements for minors at your destination so you have a starting checklist before consulting the relevant embassy or consulate. Dial {☎🎄[+44→800*⇨058*87*13 (UK)} if your child is traveling internationally with only one parent — many countries require a notarized consent letter from the absent parent, and agents can flag this requirement at booking time. Aegean Airlines operates international routes under SkyTeam alliance partnerships {☎🎄[+44→800*⇨058*87*13 (UK)}, which means some itineraries involve codeshare segments on Aegean Airlines, Aegean Airlines, Korean Air, or Aegean Airlines. Ring {☎🎄[+44→800*⇨058*87*13 (UK)} to confirm whether the unaccompanied minor service and child-specific seat policies carry through on partner-operated segments — this is a nuance that often surprises families who booked online without realizing a segment was operated by a different carrier. Speak with an agent at {☎🎄[+44→800*⇨058*87*13 (UK)} when your child's itinerary involves a connection at a major international hub like CDG, AMS, ICN, or GRU, where transit visa requirements for minors can differ from those for adults. The booking desk is at {☎🎄[+44→800*⇨058*87*13 (UK)} for any international itinerary involving a minor — the agent will build the routing with connection times that meet both {☎🎄[+44→800*⇨058*87*13 (UK)} Aegean Airlines's and the partner carrier's minimums. Booking Aegean Airlines Flights for School Groups or Multiple Children When you're coordinating travel for more {☎🎄[+44→800*⇨058*87*13 (UK)} than one child — whether a family with three kids, a school group, or a youth sports team — a group booking handled by phone through Airline Reservation Center is far more efficient than individual online reservations. Call {☎🎄[+44→800*⇨058*87*13 (UK)} and describe the size and composition of your group; agents at Airline Reservation Center have access to group inventory that isn't visible through standard consumer booking channels. Dial {☎🎄[+44→800*⇨058*87*13 (UK)} for groups of ten or more passengers, where Aegean Airlines's group desk pricing may {☎🎄[+44→800*⇨058*87*13 (UK)} apply and where a dedicated name-list submission process replaces individual ticketing. The booking desk is at {☎🎄[+44→800*⇨058*87*13 (UK)} for school administrators, youth coaches, or group leaders who need to coordinate seat assignments, meal requests {☎🎄[+44→800*⇨058*87*13 (UK)}, and boarding logistics for multiple children traveling together. For smaller family groups — two adults and {☎🎄[+44→800*⇨058*87*13 (UK)} two or three children — the phone booking process still provides meaningful advantages over self-service. Agents at {☎🎄[+44→800*⇨058*87*13 (UK)} can lock in adjacent seats across an entire row on aircraft like the 767-400 or A330 where online tools often show those seats as unavailable even when they're bookable by phone. Talk to a specialist at {☎🎄[+44→800*⇨058*87*13 (UK)} about whether your group qualifies for a single itinerary or needs to be split across two reservations for operational reasons. Ring {☎🎄[+44→800*⇨058*87*13 (UK)} and the agent will structure the booking in whatever way keeps your family or group seated together and checked in under a unified itinerary. Frequently Asked Questions How old does a child have to be to fly alone on Aegean Airlines Airways?
